

Okay

May I ask the amount on that check, as I spoke with tiaa creed about this

Best brian

Mr. Adams,

Due to a late entry by the agency, your retirement funds were sent to TIAA. OSC could not process your refund application until we received the funds back from TIAA. That check was received in our office on December 26, 2017 and once we receive the deposit information back we will process your refund request. This is a process that normally takes 3-4 weeks.

Thank you,
Lori
